

Velkorysý dar z Ottova nakladatelství

V únoru 2022 knihovna získala obsáhlý dar výpravných zahraničních publikací. Dárce bylo Ottovo nakladatelství, společnost pro vydávání encyklopedické literatury, s r.o. Jeho kořeny jsou úctyhodně staré, sahají až do roku 1871, kdy vyučený obchodník a tiskař Jan Otto (1841-1916) založil svoje vydavatelství. Současné Ottovo nakladatelství, jež se k Janu Ottovi hrdě hlásí, vydává zejména encyklopedická díla. V současnosti nakladatelství publikuje v České republice a na Slovensku na 100 knižních titulů ročně. Až na výjimky se zaměřuje na non fiction literaturu, původní i přeloženou. Darované knihy spadají do oblasti dějin válek a zbraní, obecné historie, cestování, přírodovědy i populární psychologie. Tematiku válečnou v kolekci vyvažují tituly věnující se například problematice lidské sexuality nebo angelologie. Kničky potěší hlavně čtenáře vládnoucí angličtinou, v menší míře pak i němčinou, francouzštinou či ruštinou.

Některé z darovaných titulů:
